

**MESSAGE FROM
Ron Lynch Chalice (Jul 1968, Revised 25 Apr 1986)**

Melody Dee is on my mind
Baby, we haven't got much time
I know our love is going fine

CHORUS:
Say goodnight, say goodnight
say goodnight, not goodbye

Don't let those people make us fight
Racial contempt puts you uptight
Our love is more than black and white

CHORUS

When I am with you I can fly
Our love will last if we just try
Please don't ever say goodbye

CHORUS (until fade)
