

PLEASANT DREAMS
Ron Lynch Chalice

Dream a pleasant dream
Dream about love
Thoughts of making love
In a purple tub

CHORUS:
Pink Chablis in the Bottom
of my - ah - hookah

Visions of my Lord
and his Lady Fair
Visions of myself
suspended in the air

CHORUS

Tender kiss of death
placed upon my breast
when it come's to this
I'm no different than the rest

CHORUS

You my desecrate my body
On the outside and within
But to violate my mind
Would fit my cloak of sin

CHORUS
